DECLARATION AND POWER OF ATTORNEY

As a below named Legal Representative and widow of the inventor, I HEREBY
DECLARE:

THAT my residence, post office address, and citizenship are as stated below next to
my name;

THAT upon information and belief, I believe that Tatsushi YONEZAWA is the
original, first, and sole inventor (if only one inventor is named below) or an original, first, and
joint inventor (if plural inventors are named below or in an attached Declaration) of the
subject matter which is claimed and for which a patent is sought on the invention entitled

PUSH-BUTTON SWITCH

(Attorney Docket No. 044499-0167)

the specification of which (check one)

 is attached hereto.

 X was filed on 07/09/2003 as United States Application Number or
PCT International Application Number 10/615,392 and was
amended on (if applicable).

THAT upon information and belief I do not know and do not believe that the same
invention was ever known or used by others in the United States of America, or was patented
or described in any printed publication in any country, before I (we) invented it;

THAT upon information and belief I do not know and do not believe that the same
invention was patented or described in any printed publication in any country, or in public use
or on sale in the United States of America, for more than one year prior to the filing date of
this United States application;

THAT upon information and belief I do not know and do not believe that the same
invention was first patented or made the subject of an inventor's certificate that issued in any
country foreign to the United States of America before the filing date of this United States
application if the foreign application was filed by me (us), or by my (our) legal
representatives or assigns, more than twelve months (six months for design patents) prior to
the filing date of this United States application;

THAT upon information and belief the contents of the above-identified specification,
have been reviewed and understood including the claim(s), as amended by any amendment
specifically referred to above;

THAT upon information and belief I believe that the above-identified specification
contains a written description of the invention, and of the manner and process of making and

using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the invention, and sets forth the best mode contemplated by Tatsushi Yonezawa of carrying out the invention; and

THAT I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

Upon information and belief I HEREBY CLAIM foreign priority benefits under Title 35, United States Code §119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or §365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below any foreign application for patent or inventor's certificate or of any PCT international application having a filing date before that of the application on which priority is claimed.

Prior Foreign Application Number	Country	Foreign Filing Date	Priority Claimed?	Certified Copy Attached?

Upon information and belief I HEREBY CLAIM the benefit under Title 35, United States Code § 119(e) of any United States provisional application(s) listed below.

U.S. Provisional Application Number	Filing Date

Upon information and belief I HEREBY CLAIM the benefit under Title 35, United States Code, §120 of any United States application(s), or § 365(c) of any PCT international application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.
